Continuation of Substance of Interview including description of the general nature of what was discussed: The claim language of Claim 13 was discussed. In particular, the format in which the microimplantables are recited in the claim was discussed. Applicant's representative proposed a claim language in which the step of localizing the microimplantables within the tissue is positively recited. Applicant's representative further authorized the examiner to make the agreed changes by Examiner's Amendment. See the attached Examiner's Amendment...
